# Introduction and General Guidelines

---

## Introduction

This repertoire list is for LCM Examinations in 'Classical Singing'. The core repertoire is art song, sacred vocal music, opera, oratorio and folksong. **No Music Theatre, Pop or Jazz songs may be presented in Classical Singing exams.** Separate syllabuses for Music Theatre and Popular Music Vocals are available from LCM Examinations.

## Programme selection

Singing teachers agree that the most important factor when choosing repertoire for performance is deciding whether it 'suits' the singer vocally and whether the singer can absorb and project the character of the words and music. Candidates are required to present a varied programme in terms of style, mood and language, and are encouraged to use the 'own choice' elements to demonstrate their strengths.

## Own choice items

This repertoire list requires candidates to select 'own choice' items in the Technical Work component of each grade, and optionally in the Performance component. For information about the appropriate difficulty level of repertoire at each grade, please refer to Section 2.4, 'Grade Descriptions', in the *Syllabus for Graded and Leisure Play Examinations in Music Performance*. Candidates should be aware that there is some flexibility here, as it is possible to present the same item at different grades; ultimately it is the standard of performance which is being assessed. However, where an item chosen is significantly easier than would normally be expected for the grade, and thereby compromises the examiner's ability to assess the required performance standard, this will be reflected in the marking. Further information is available from the Chief Examiner in Music, Philip Aldred.

## Written programme

The examiner should be given a copy of the candidate's programme at the start of the examination. This may be written on the back of the candidate's Attendance Notice or on a separate sheet. The minimum requirement is a list of song titles and composers; extended *programme notes* are not required (but may be presented if the candidate wishes).

## Scores

Original scores of all items performed should be available for the examiner's reference. The accompanist should leave the music in the exam room after the accompanied items have been performed; alternatively, examiners welcome additional copies of the music for their own reference, together with text translations of any songs sung in a language other than English.

## Sight singing

The examiner will give the key and the candidate's starting note; the candidate will then have a short period of time (approx. 30 seconds) to look through the extract. The examiner will then play the accompaniment once through. After a further short pause (approx. 30 seconds) the test will be performed in full; only this final performance will be marked. The candidate may practise the vocal line at any point during the preparation time. Tests should be sung to 'ah' or 'la' as indicated.

Parameters for the sight reading tests are given for each grade. All extracts will include phrasing, dynamics and tempo indications. Specimen sight reading tests are available (see page 5).

## Memory

In the Technical Work component, candidates may sing Vaccai exercises with the score. All items in the Performance component must be sung from memory, with the exception of items from oratorios or related works where candidates *may* sing with the score, in accordance with standard performance practice.

## Transposition

Songs may be sung in any key, with the exception of oratorio and opera items.

## Language

### Component 1 – Technical Work:

Vaccai exercises may be sung in either *Italian* or *German*, at the candidate's choice.

Folk and Traditional songs may be in any language.

### Component 2 – Performance:

In Grades 1-4 songs may be sung in any language. In Grade 5 (and Intermediate Duet) the original language is preferred. In Grades 6-8 (and Advanced Duet) the original language must be used.

The candidate's understanding of the sung texts may form part of the Viva Voce in graded exams.

## Accompanists

Please see Regulation 23. The normal accompanying instrument will be the piano, but other instruments may be used for all or part of the programme, if appropriate to the repertoire; the candidate is responsible for their provision. Candidates should not accompany themselves.

The use of backing tracks is not permitted in Classical Singing exams.

## Assessment

Within the assessment criteria outlined in the *Syllabus for Graded and Leisure Play Examinations in Music Performance*, the examiner will take into account the following aspects of performance, which are particularly relevant to singing examinations:

- Choice of programme – variety and suitability
- Communication and interpretation
- Appreciation of style
- Breath control and phrasing
- Quality and focus of tone
- Intonation
- Purity of vowels
- Clarity of diction and articulation
- Musical accuracy
- Posture and facial expression

# Leisure Play

---

Please refer to the Leisure Play guidelines in the *Syllabus for Graded and Leisure Play Examinations in Music Performance*. Requirements for Leisure Play Singing differ slightly in some respects, and these are outlined below:

## **Preliminary, Elementary, Transitional, Pre-Intermediate, and Intermediate levels**

Candidates are required to perform *four* songs, selecting at least *one* from the list for the corresponding grade.

The own choice songs may themselves be taken from the set list for the grade, or from that of a higher (but not lower) grade.

## **Upper Intermediate, Advanced and Proficiency levels**

Candidates are required to perform a programme of *five* pieces, contrasting in style, mood, language and period.

Although an extensive list of suggestions is given for each corresponding grade, candidates may elect to present as many as all five songs, or as little as none, from the list.

The songs chosen must fall into the categories shown below:

- A An aria from oratorio, opera or cantata (including recitative at Proficiency level)
- B A song in a language other than the candidate's own
- C A Folk or Traditional song, accompanied or unaccompanied, *in any language*
- D Own Choice
- E Own Choice

At all levels, candidates and teachers are encouraged to search widely and imaginatively for appropriate repertoire.

Please note that candidates may be penalised where own choice songs are of a significantly easier standard than that expected for the level of examination. Advice on the suitability of own choice repertoire is available from the Chief Examiner in Music, Philip Aldred.

*No Music Theatre, Pop or Jazz songs may be presented in Classical Singing exams.*

---

# Viva Voce

---

## Notes:

1. *All questions and answers are verbal. Candidates are not expected to demonstrate on their instrument or to sing; but they may choose to do so if they feel that this would clarify their answer.*
2. *There is no set form of words, or number of questions. Examiners are encouraged to conduct the tests in a flexible and conversational manner. The number of questions asked, and the content of the questions, may differ from candidate to candidate. However, the prime focus for the Viva Voce will always be the music performed in the Performance section of the exam.*
3. *The knowledge required for the Viva Voce is cumulative for Grades 1-8; i.e. any knowledge required in earlier grades is required for later grades.*
4. *Although accuracy and appropriateness of response are the principal criteria of assessment, examiners will also look for articulacy, use of correct terminology, and a sense of engagement with, and understanding of, the music performed.*

## Requirements:

### GRADES 1 AND 2

Candidates should be able to:

- name, and explain the meaning of, all basic notational elements in the music performed in the Performance component of the exam, including: staff, bars and bar-lines, clefs, pitches of individual notes, rhythmic values of notes and rests (including dotted notes), key and time signatures, accidentals, dynamics, articulation markings, phrases, ornaments, and any additional markings;
- explain which is their favourite piece and why;
- assign simple descriptive words to pieces to describe their mood ('happy', 'sad', 'bouncy', 'jazzy', 'gentle', etc.);
- demonstrate a basic understanding of the meanings of texts.

### GRADE 3

In addition to the requirements for Grades 1 and 2, candidates may be asked to:

- identify intervals up to and including a fifth by numerical value only (e.g. 'second', 'fourth', etc.);
- describe the mood or character of pieces using appropriate descriptive terminology ('fast and lively', 'gentle and flowing', 'like a dance', etc.);
- identify contrasts of mood within pieces;
- identify simple examples of word-painting.

### GRADE 4

In addition to the requirements for Grades 1-3, candidates may be asked to:

- identify intervals up to and including an octave by numerical value only (e.g. 'fourth', 'seventh', etc.);
- demonstrate basic knowledge of composers of the music performed, including their nationality and approximate dates;
- discuss their approaches to learning the pieces, and to identify any particular difficulties (musical or technical) which were encountered;
- demonstrate a basic understanding of the workings of the voice;
- discuss with the examiner the relationship between the texts and the composer's settings of them.

## **GRADE 5**

In addition to the requirements for Grades 1-4, candidates may be asked to:

- identify intervals up to and including an octave by number and type (e.g. 'Major 2nd', 'Perfect 4th', etc.);
- demonstrate knowledge of basic formal structures (e.g. contrasting or repeated sections);
- identify principal modulations (by naming the new key or its relationship to the home key);
- identify major and minor chords as occurring in the music (either as chords or as melodic patterns);
- identify the historical period of the music performed (Renaissance, Baroque, etc.).

## **GRADE 6**

In addition to the requirements for Grades 1-5, candidates may be asked to:

- discuss their personal responses to the music performed: the extent to which they like or dislike it, or find it challenging or rewarding, and why;
- approaches to learning the music, including the use of certain techniques, and aspects of interpretation;
- identify melodic and harmonic features of the music (e.g. sequence, melodic inversion, circle of 5ths, pedal points, etc.);
- demonstrate knowledge of formal structures (e.g. verse structure, ternary, binary, rondo etc.);
- demonstrate a self-critical awareness of their own performance, indicating to the examiner which aspects of their performance they were happy or unhappy with, and why.

## **GRADE 7**

In addition to the requirements for Grades 1-6, candidates may be asked to:

- identify more complex chords, including sevenths and dissonances, as occurring in the music (either as chords or as melodic patterns);
- identify cadences;
- give basic biographical information about the composers of the music performed;
- demonstrate awareness of the historical and stylistic context of the music;
- demonstrate a widening musical awareness a little beyond the music performed.

## **GRADE 8**

In addition to the requirements for Grades 1-7, candidates may be asked to:

- demonstrate knowledge of other music by the same composers;
- identify any interval by number and type;
- discuss with the examiner a range of issues arising from the music performed, demonstrating evidence of a rounded musical awareness, in terms both of the repertoire itself, and the candidate's response to it as a performer.

---

# Aural Tests

---

## Notes:

1. **GRADE 1 TEST 1(b); GRADE 3 TEST 2(b):** where a candidate wishes to respond to either of these tests in the alternative manner as specified, the examiner must be informed in advance of the tests being administered. This may be done either via the Centre representative or attendant on the day (in advance of the examination), or by the candidate (in the examination, in advance of the tests).
2. In tests where the identification of note values (rhythmic values) is required, such as Grade 2, test 1(c), candidates are required to respond by listing the rhythmic values in the order in which they occur in the extract, e.g. 'minim, crotchet, crotchet' or 'minim, four quavers'.
3. In tests where a sung response is required, candidates may use any clear and appropriate syllable or vowel sound (e.g. 'ah', 'la', 'oo', etc.) They may also hum or whistle. Candidates may request tests to be transposed if required by their vocal range. Candidates may play back such tests on their instrument if they prefer; in this case, examiners must be informed prior to the administration of the tests (see note 1 above).
4. In tests where responses describing pitch are required, candidates may use letter-names (A, B, C, etc.), tonic sol-fa (doh, re mi, etc.), or number (1, 2, 3, etc., or 1st, 2nd, 3rd, etc.) (Where a minor key is used, it will be assumed that doh=tonic.)
5. Please note that from Grade 2 onwards, candidates are required to beat time (i.e. conduct), NOT to tap or clap the pulse. They may join in during the initial playing, or a second playing may be given.
6. Candidates may request any test to be given one repeat playing without loss of marks.
7. **Please note that in all cases, examiners will use a piano to conduct the tests.** Examiners will ask candidates to stand or sit in such a position that they cannot see the piano keyboard.
8. Please note that the printed wording is a guide only. Examiners are encouraged to conduct the tests in a conversational manner.

## Requirements:

### GRADE 1

#### Rhythm

A short harmonised passage, of approximately 6-8 bars in length, will be played. The passage will be in either 2/4 or 3/4 time. Candidates will be asked to:

- 1 (a) identify the time signature as "2" or "3" time (2 marks).
- 1 (b) clap or tap on each pulse beat, in time, in 2 or 3 time, accenting the first beat of each bar, as the examiner plays the passage again (2 marks).

*Candidates may elect to respond to tests 1(a) and 1(b) in reverse order. In this case, the examiner should be informed in advance of the tests being administered (see Note 1 above).*

#### Pitch

Two notes of different pitches will be played, one after the other. Candidates will be asked to:

- 2 (a) identify as "first" or "second" which of the two notes is EITHER the higher OR the lower, at the examiner's discretion (1 mark).

The two notes will be played again. Candidates will be asked to:

- 2 (b) sing back one of the two notes (EITHER the first OR the second, at the examiner's discretion) (1 mark).  
The key-chord of a major key will be played, followed by a short unharmonised melody in the same key, of approximately 4 bars in length. The examiner will stop playing before the final (tonic) note. The candidate will be asked to:
- 2 (c) sing clearly the missing final tonic (2 marks).

## GRADE 2

- 1 (a) identify the time signature as "3" or "4" time (1 mark).
- 1 (b) beat (conduct) time, with a clear beat-shape (conducting pattern), in time with the examiner's playing, as the examiner plays the passage again (1 mark).

The examiner will select one bar from the passage, and will play it in an unharmonised version. Candidates will be asked to:

- 1 (c) identify and describe the note values (rhythmic values of the notes) in the bar (2 marks).

### Pitch

A major or minor triad will be played, followed by one note taken from the triad. Candidates will be asked to:

- 2 (a) identify the note as "bottom, middle or top" OR "Doh, Mi or Soh" OR "root, 3rd or 5th" (candidate's choice) (1 mark).

The triad will be played again. Candidates will be asked to:

- 2 (b) state if the triad is major or minor (1 mark).

The key-chord of a major key (C, F, G, and D majors only) will be played, and the key stated, followed by the first five notes of the scale in ascending order. The examiner will then play any ONE of these notes again. Candidates will be asked to:

- 2 (c) identify the note, EITHER by letter name OR by tonic sol-fa name OR by number (1, 2, 3, 4 or 5) as elected by the candidate (1 mark).

The test will be repeated, using a different example (1 mark).

## GRADE 3

### Rhythm

A short harmonised passage, of approximately 8 bars in length, will be played. The passage will be in 6/8 time. Candidates will be asked to:

- 1 (a) beat (conduct) time, with a clear beat-shape (conducting pattern), 2 beats in the bar (NOT 6 beats in the bar), in time with the examiner's playing, as the examiner plays the passage again (1 mark).

The candidate will be shown three lines of music (marked 1, 2 and 3), each of which will contain four individual bars of music in 6/8 time (marked a, b, c and d). The examiner will indicate which line of music is being used. One of the bars on that line will be played, twice. Candidates will be asked to:

- 1 (b) indicate which bar (a, b, c or d) has been played (1 mark).

The test will be repeated, using a different example (1 mark).

### Pitch

An interval will be played twice, once with the pitches sounded successively, and once with the pitches sounded together. The intervals will be restricted to the following: Major 2nd, Major 3rd, Perfect 4th, Perfect 5th. Candidates will be asked to:

- 2(a) identify the interval, by numerical value only (2nd, 3rd, 4th, 5th) (1 mark).

The test will be repeated, using a different interval (1 mark).

The key-chord of a major or minor key (C, G, D, F and Bb majors; A and E minors only) will be played, and the key stated. A short unharmonised melody, in the same key, of approximately 3 bars in length, will be played, twice. Rhythms will be limited to crotchets, quavers, minims, dotted minims and semibreves. Candidates will be asked to:

- 2 (b) sing back the melody (3 marks).

*Candidates may elect to respond to test 2(b) by playing the melody on their instrument, instead of singing. In this case, the examiner should be informed in advance of the tests being administered (see note 1 above).*

## GRADE 4

### Rhythm

A short harmonised passage, of approximately 8 bars in length, will be played. The passage will be in either 2/4, 3/4, 4/4 or 6/8 time. Candidates will be asked to:

- 1 (a) beat (conduct) time, with a correct and clear beat shape (conducting pattern) according to the time signature of the music, in time with the examiner's playing, as the examiner plays the passage again. (Passages in 6/8 time should be conducted with a 2-beat pattern). (2 marks).

A short phrase, of approximately 2 bars in length, taken from the passage, will be played in an unharmonised version, twice. The phrase will include no rhythmic values shorter than a semiquaver, but may include simple dotted patterns. Candidates will be asked to:

- 1 (b) clap or tap back the rhythm of the phrase (2 marks).

### Pitch

An interval will be played twice, once with the pitches sounded successively, and once with the pitches sounded together. The interval will be restricted to any major, minor or perfect interval up to and including an octave. Candidates will be asked to:

- 2(a) identify the interval, by numerical value and type (1 mark).

The test will be repeated, using a different interval (1 mark).

The candidate will be shown three similar versions of a short melody (marked 1, 2 and 3). The versions will differ in pitch, but not in rhythm. One of the versions will be played, twice. Candidates will be asked to:

- 2 (b) identify which version was played (2 marks).

## GRADE 5

### Rhythm

A short harmonised passage, of approximately 8 bars in length, will be played. The passage will be in either 2/4, 3/4, 4/4, 6/8 or 6/4 time. Candidates will be asked to:

- 1 (a) beat (conduct) time, with a correct and clear beat shape (conducting pattern) according to the time signature of the music, in time with the examiner's playing, as the examiner plays the passage again. (Passages in 6/8 or 6/4 time should be conducted with a 2-beat or 6-beat pattern as appropriate). (2 marks).

A short phrase, of approximately 2 bars in length, taken from the passage, will be played in an unharmonised version, twice. Candidates will be asked to:

- 1 (b) identify and describe the note values (rhythmic values of the notes) in the phrase (2 marks).

### Pitch

An interval will be played twice, with the pitches sounded together. The interval may be any major, minor or perfect interval within the octave, as well as the augmented 4th / diminished 5th. Candidates will be asked to:

- 2(a) identify the interval, by type and numerical value (1 mark).

The test will be repeated, using a different interval (1 mark).

The key-chord of a major key will be sounded. A short melody in the same key, of approximately 2 bars in length, will be played, finishing with a harmonised cadence (perfect, imperfect, plagal, or interrupted) in the home key. Candidates will be asked to:

- 2 (b) identify the cadence, either by its conventional name, or as "finished" (perfect and plagal) or "unfinished" (imperfect or interrupted) (1 mark).

The test will be repeated, using a different example (1 mark).

## GRADE 6

### Rhythm and Pitch

A harmonised passage, in simple time, of not more than six bars in length, and containing some syncopated patterns, will be played, twice. Candidates will be asked to:

- 1(a) identify the time signature (1 mark).
- 1(b) identify whether the passage is in a major or minor key (1 mark).
- 1(c) identify, by number and type, any interval within the octave, occurring in the melody-line between two succeeding notes. These pitches will be played again, first as occurring in the melody, and then with the pitches sounded together (1 mark).

A short phrase from the passage, of 1-2 bars in length, will be played again in an unharmonised version. Candidates will be asked to:

- 1(d) clap or tap back the rhythm of the phrase (1 mark).
- 1(e) identify and describe the note values (rhythmic values) in the phrase (2 marks).

### Pitch

The key-chord of a major key will be sounded. A short melody in the same key, of approximately 2 bars in length, will be played, finishing with a harmonised cadence (perfect, imperfect, or interrupted) in the home key. Candidates will be asked to:

- 2 (a) identify the cadence by its conventional name (1 mark).

The key-chord of a major key will be sounded, and the key named. A short harmonised passage in the same key, of approximately 4 bars in length, will be played. The passage will contain one modulation to a related key (dominant, subdominant, or relative minor), finishing with a perfect cadence in that key.

Candidates will be asked to:

- 2 (b) identify the key into which the passage has modulated, either by name or by relationship to the home key (candidate's choice) (1 mark).

## GRADE 7

- 1 (a) A harmonised passage of approximately 12 to 16 bars in length, in either simple or compound time, will be played, once. Candidates will be asked a selection of the following:
  - to identify the time signature
  - to identify whether the passage is in a major or minor key
  - to describe the overall dynamics
  - to describe the basic overall form (this will be limited to AB, ABA, AAB, ABAB, AABA) (2 marks).
- 1 (b) The candidate will be given a copy of the score, without phrasing, tempo, articulation, or dynamic markings. The passage will be played once again in full; further shorter sections may also be played again. Candidates will be asked a selection of the following:
  - to suggest an appropriate tempo marking
  - to describe changes in tempo
  - to name the key
  - to describe phrasing patterns
  - to describe dynamics
  - to describe articulation
  - to identify modulations
  - to identify ornaments
  - to confirm their description of the form (4 marks).
2. The key-chord of a major or minor key will be sounded. A short harmonised passage in the same key, of approximately 2 bars in length, will be played, finishing with a harmonised cadence (perfect, imperfect, plagal, or interrupted) in the home key. Candidates will be asked to:  
identify the cadence by its conventional name. (1 mark).  
The test will be repeated, using a different example (1 mark).

## GRADE 8

1. A harmonised passage of approximately 12 to 16 bars in length, in either simple or compound time, will be played, once. Candidates will be asked a selection of the following:
  - to identify the time signature;
  - to identify whether the passage is in a major or minor key;
  - to suggest an appropriate tempo marking;
  - to describe and identify any particularly noticeable aspects of the dynamics, phrasing, articulation, modulation, ornamentation, texture, etc. (examiners may play certain extracts from the passage again);
  - to suggest a musical style (Renaissance, Baroque, Classical, Romantic, Twentieth Century or Modern, Jazz / Popular);
  - to identify any interval in the melodic line between two successive notes, up to and including a Major 10th (the two pitches will be played again, as occurring in the melody);
  - to clap back, or identify and describe the note values (rhythmic values) of, a short phrase of 1-2 bars in duration, taken from the passage and played again in an unharmonised version;
  - to identify a cadence, taken from the passage, played again by the examiner (4 marks).
  
2. The candidate will be given a copy of the score, without phrasing, tempo, articulation, or dynamic markings. The passage will be played once again in full; further shorter sections, of up to 4 bars in length, may also be played again, sometimes with changes in phrasing, tempo, articulation and/or dynamics. Candidates will be asked a selection of the following:
  - to name the key
  - to identify modulations
  - to identify ornaments
  - to describe the overall form (in addition to those specified for Grade 7, these may include ABCA, ABCBA, AA'BA, ABA'B, and similar structures, as well as more organic forms, or forms based on imitative or fugal structures);
  - to identify simple melodic, rhythmic or harmonic devices, such as sequence, inversion, repetition, pedal points, augmentation / diminution, motivic development, etc.
  - to identify changes in phrasing, tempo, articulation and/or dynamics, in short passages, of up to 2 bars in length, played in two different styles by the examiner (4 marks).
